1. Blest Be the tie, the tie that binds Our hearts in Christian Love.  
2. We share our cares, our mutual woes, Our mutual burdens bear.

3. From sorrow, toil and sin and pain, We shall, we shall be free.

The fel - low ship of kindred minds is like to that a - bove.  
And often for each other flows, the sym - pa - thizing tear.

The fellow- ship. Of kindred minds is like to that a - bove.  
And often for Each other flows the sym - pa - thizing tear.

And perfect love and friendship reign, Through all e - ter - ni - ty.

And perfect love and friendship reign, Through all e - ter - ni - ty.
